

FAIR GAME

Josie Tybrook is holding her own - on her own - with a successful career and a bright future. She doesn't need a man to make it brighter - unless it's only for a night of no-strings-attached sex. After a brief erotic encounter, Kyle Perry is a perfect candidate. Except Josie soon finds they have a professional tie that will bring them together again. And again. Now, in business and in pleasure, Josie and Kyle engage in a battle of wills. What begins as a hot diversion of power and domination turns into an intimate game behind closed doors, where the role of slave and master shifts with each erotic move. But as the heat escalates, they find themselves becoming bound by something stronger than they ever imagined - and they discover the ecstasy of what it means to really lose control.
