**GUARANTEED PAGE-TURNER** From the bestselling author of *See How They Run* and *Don't Talk to Strangers* comes a compelling story of drama and suspense. And a romance you won't forget! The only rule: Don't get involved. To Hawkshaw, these are his words to live by. He left the Secret Service because he didn't want to take care of anyone but himself. Then an old friend asks him for a favor. The last case. A woman and her young son need a place to hide and someone to protect them. A stalker wants her and will do anything to have her. The wrong woman. Hawkshaw agrees to help, but he's more than a little reluctant. Kate Kanaday's not the woman he wants living in his house. Even worse, she's got him thinking about breaking his only rule.
