

## Tilly

[Read by Charlotte Anne Dore] In this whirlwind series, author Marion Chesney (aka M. C. Beaton / aka Jennie Tremaine) brings us spirited, independent women who are at once bewitching, beguiling, and determined to make their mark on the world, be it within their social circle or extending beyond. With their arms wide open, these women are absolutely original and unforgettable, as are the tales in which they are featured. The Beast that was what they called her. With her plump body and rough tomboy ways, she felt more like a clown. It was hopeless. Poor penniless Tilly could only sit among the chaperons as a paid companion to the spiteful Lady Aileen. The best she could do was sit . . . and dream. But suddenly Philip, Marquess of Heppleford, the most eligible bachelor of all, decided he wanted her for himself, to be his wife, and they were married. His intent was to keep his freedom, fulfill the conditions of his fathers will, and shock his aunts. He never imagined hed return from a scandalous adventure in Paris only to find a seductive beauty a beauty who had learned that loving well is the best revenge.
