

## Dylans Redemption (McBrides series, Book 3)

[Read by Adam Verner] There's a new sheriff in Fallbrook. Meet Dylan McBride. Jessie Thompson had one hell of a week. Dylan McBride, the boy she loved, skipped town without a word. Then her drunk of a father tried to kill her, and she fled Fallbrook, vowing never to return. Eight years later, her father is dead, and Jessie reluctantly goes home - only to come face-to-face with the man who shattered her heart. A man who, for nearly a decade, believed she was dead. Dylan accepted the position as sheriff of Fallbrook looking for a fresh start and a chance to uncover the truth about Jessie's disappearance. He knew he'd have to face a few ghosts he just never thought one would be Jessie, all grown up, stunning and alive. The pull between them is instant, but Dylan's heart has already mourned Jessie, and she has secrets she can never share. Can they escape the darkness of their past for a chance at a bright future together?
