

## Quades Babies (Silhouette Desire)

Quade Westmorelands one-night love affair with Cheyenne had branded him body and soul, but he'd never even learned her last name. Almost a year later, driven by memories and one incriminating photo, the sexy operative had finally tracked her down and discovered three little babies bearing his features. Learning he was a father made Quade even more determined: he would claim Cheyenne Steele in every way. Shockingly, the irresistible beauty seemed intent on resisting him. But the Westmoreland destiny was at stake, and Quade would fight for what was his.
