

The Butterfly House (Mira)

I was fifteen when my mother finally told me about my father. She didnt mean to. She meant to keep it a secret forever. If shed succeeded, it might have saved us all. Roberta and Cynthia are destined to be best friends forever. When both your fathers are missing, you have a lot in common. Unable to cope with her alcoholic mother, Roberta finds Cynthias house the perfect, carefree refuge. Cynthias mother keeps beautiful rare butterflies on her sunporch and shes everything Roberta wishes her own mother could be. But just like the delicate creatures they nurture, the women are living in a hothouse. Years later, a hauntingly familiar stranger knocks at Roberta Dutreaus door, forcing her to begin a journey back to her childhood. But is she ready to know the truth about what happened to her, her best friend Cynthia and their mothers that tragic night ten years ago?
