

Once Upon a Bride (Harlequin Special Edition)

Happily ever after? When Gabe Vitali escapes to a fresh start in Crystal Point, Australia, the former physician isn't looking for a storybook ending. For the first time he's living in the moment. His new five-year plan does not include serious relationships. But he doesn't anticipate his unavoidable next-door neighbor and an undeniable attraction. Bridal consultant Lauren Jakowski wants marriage. She's just sworn off love and sex! To avoid getting burned again, she's looking for safe and forever-after. But they're not Gabe's to give for reasons he can't share with anyone, least of all this pretty complication. Gabe and Lauren don't figure on a fairy tale. But fate has other plans.
