

Dangerous Masquerade

Every novel in this collection is your passport to a romantic tour of the United States through time-honored favorites by Americas First Lady of romance fiction. Each of the fifty novels is set in a different state, researched by Janet and her husband, Bill. For the Daileys it was an odyssey of discovery. For you, its the journey of a lifetime. Your tour of desire begins with this story set in Alabama. Shy and sweet, Laurie Evans looks a lot like her glamorous and impulsive cousin LaRaine . . . but their personalities are as different as night and day. And, now that LaRaine just landed her first movie role, she doesnt have time for Rian Montgomery, her millionaire fiance or his faraway family. She talks Laurie into a DANGEROUS MASQUERADE and begs her to visit the Montgomery clan and pretend to be her, just this once. Laurie agrees to play the part . . . until Rian turns up unexpectedly . . .
