

Knock Me Off My Feet

Autumn Adams never planned to follow in her mothers footsteps as Chicagos answer to Martha Stewart--she cant cook, doesnt clean, and would rather play soccer than discuss the joys of white bathtub grout. Then some lunatic starts sending her threats in the mail and Audie finds herself under the protection of simmering, sexy Detective Stacey Quinn, a man determined to examine her every nook, cranny, and ex-boyfriend in his effort to find the stalker. A disarming combination of macho cop and sweet charmer, Quinn is hard to resist. But with Audies bad luck at finding and holding on to Mr. Right, she think its best to keep her distance...Quinn soon discovers that the real Audie is an alluring blend of fantasy babe and tender-hearted female all wrapped up in what he can only hope is leopard-print underwear. Shes not what hes always pictured for himself, but could she be everything hell ever need?Digging through Audies many layers could turn out to be the hottest, craziest, sexiest bit of detective work Quinn has ever attempted...if it doesnt kill him first.
