

The Prodigals Return (Love Inspired #144)

HOMeward Bound Laurel Harrison longed to return to Missouri, and when her sheriff father fell ill it seemed to Laurel to be a message from above telling her to leave California behind. And she hoped that by moving back she would finally find a home for her restless heart. Deputy Tripp Jordan was trying the best he could to fill in for the town sheriff. But under the watchful eye of the sheriff's daughter his every move was challenged. He soon found himself looking for the faith he'd let go of long ago and praying Laurel would realize her heart belonged in Missouri with him!
