

The Italians Forgotten Baby (Mills & Boon Hardback Romance)

Architect Marco Di Santo lost two weeks of his life and he wants them back.

After an accident on holiday left him with amnesia, he returned to the beautiful island of Ranai to find his memories. Socialite-in-hiding Shayna Pierce spent those two weeks falling in love with Marco. Now, taking him to the places they visited before, reliving their romance, breaks her heart - because Marco can't remember. And nothing can prepare him for her baby bombshell.
