

To Know Him is to Love Him

There is hope and healing in the midst of a world suffering from disease, mental and physical illness, and generations of emotional scars. To Know Him Is To Love Him is a real-life story about a woman facing painful challenges--physically, emotionally, and spiritually--and how she overcame each one with the help of the Great Physician. Readers will gain confidence, courage, and compassion as they realize they are never alone while battling serious health issues--or enjoying abundant life as the Creator intended.
