

Father In Training (New Arrivals)

He knew how babies were made.... But that was all Jeffrey Addams Logan III knew about fatherhood! He ran a billion-dollar business, handled employees and balanced budgets. What he knew about being a daddy could fit in a paper clip! But he couldn't deny that incredible hot night on a moonlit beach, when he'd felt as if he were born just to make love to Abby Carson. She couldn't deny she felt it, too-until she discovered she was pregnant. Jeff read the baby books, saw his baby grow inside Abby-but how could he convince her he was ready to be a father? He had only thirty days...and the clock had already started ticking....
