

The Nannys Secret (Silhouette Intimate Moments)

A tragic accident had taken everything from Amelia Rigsby even her memory. But she had found a refuge on this windswept ranch high in the Wyoming mountains, caring for a baby who desperately needed a woman's love. Something about this beautiful little boy, whose past was almost as shadowed as her own, drew her to him, in a way that was strangely familiar yet deeply troubling.... And just as troubling was Brooks Hart, the rancher who had brought her here. He was so compelling, so powerful, that she ached to take the comfort he was offering her. But what could she offer him when she didn't even know who she was...?
