

The Second Silence

A mother's worst nightmare brought to life unites a family in this searing, taut new novel by the bestselling author of *One Last Dance*. Romantic, suspenseful, and utterly compelling, *The Second Silence* takes us into the breaking heart of Noelle Van Doren, whose only child is snatched from her by her estranged husband, Robert, a powerful real estate developer. As Noelle, Mary, and Charlie, her long-estranged parents, frantically peel away layers of mystery regarding Robert's past, the lives of each begin to change in unexpectedly wrenching ways. For Charlie and Mary, the years apart have made them realize that one's first love is often one's best love, but now new obstacles stand in their way. Noelle is astonished to discover her ability to open her heart to a new love. An engrossing drama, her most suspenseful yet, Eileen Goudge's *The Second Silence* will keep readers transfixed from beginning to end. Praise for *One Last Dance*: Goudge's characters leap from the page ready to engage readers [in] rapid page-turning and late nights...--Denver Rocky Mountain News A writer who knows how to entertain. --Kirkus Reviews
