

A Not-So-Perfect Past

The golden girl and the bad boy! Nina Carlson knows all about Dillon Wards rebellious past - the whole town does! But his reputation doesnt stop her from renting him a place to live. And when someone crashes into her bakery, hes just the man to fix the damage. And Nina isnt the only one who thinks Dillons the perfect man for the job: her two kids have taken a shine to him. Still, she cant afford to get close to Dillon. Because its not that she doesnt trust him. Its that she doesnt trust herself
