

The Guy Im Not Dating

Yowza! exclaims Kara Richardson when she sees the handsome proprietor of the new delicatessen in town, Gabe Paolino who soon expresses mutual interest. This would be the start of a perfect love story, except for one thing Kara has vowed to stop dating until she feels Gods leading. But when humorous circumstances send Kara and Gabe on a road trip to Florida, hope springs anew. Even with Karas flirtatious coworker Tiffany a hyena in heels along for the ride, the uncouple begins a lively journey that could change their paths forever. This memorable, charming story of loves persistence captures the honor of waiting on Gods timing, and the adventure of finding the perfect guy to not date.
