

## DARKNESS BEFORE THE (Maggie Bennett Novel)

Her irresistible beauty and deadly skills in the martial arts always got her out of the tight spots. But Maggie Bennett couldn't escape a stab of pain and passion when her new partner turned out to be tall, sensual Randall Carter. Once before, his kisses had promised forever - until the morning he'd walked out of her life. Now a thrilling, high-voltage chase after a mysterious spy has led her back into his arms and behind Europe's Iron Curtain, where Maggie and Randall would become desperate players in an electrifying game - ready to break every rule ... in danger and desire.
