

## Life, Love & Sex of the Newly Single Adult

When Brian Demers finds himself widowed, hes completely at loose ends. Should he go to his cabin up north and shovel snow and become a hermit or take everybodys advice and go to Florida for the winter? Somewhat against his better judgment, he winds up in Islamorada in the Florida Keys. From there he goes north again, and back to the cabin on the lake where he helps restore an abandoned lighthouse and meets the Keepers Girl. Somewhere in his odyssey, Brian discovers how to face his life as a newly single adult. Real-life drama that leaves a beautiful ache in the heart, says Marcy Birdweather, Marcys Musing. Its about going on with your life after a devastating loss.
