

## Thunder Island

Jennifer Whitmore is the last person Kyle Parker expects to see in his counterterrorism seminar. Fifteen years ago, she was the love of his life. Now a respected member of Miami's K-9 search and rescue unit, Jennifer is working undercover on an antiterrorism task force. She's crazy about her partner, Sadie, a droopy-eyed bloodhound. She's also engaged to another man. But when Jennifer and Kyle join forces to rescue a missing child, their passion reignites.
