

Gimme an O

When L.A. sex therapist Dr. Lecia Calhoun writes a self-help book called *The Big O*, there's no doubt what she's talking about! But even though she's now a nationally known sex expert, Dr. Love has to admit to herself that it's been a long time...Star quarterback Anthony T. Beals clearly knows what O stands for! After all, he got caught with a working girl - on film! When he appears on a late-night talk show with Lecia, who tells him he's got issues and his wife should dump him, T really lets loose on the air - then comes up with a hare-brained plan to solve his marital woes, involving Dr. Love's help. And suddenly Lecia's on a whirlwind cross-country adventure with the NFL hunk - who's determined to teach the good doctor how to move her game from the sidelines to the playing field. Which soon has the whole country wondering, what's really going on with T. Beals and Dr. Love?
