

## Dead On The Dance Floor

Private investigator Quinn OCasey thinks Lara Trudeau's overdose is a simple case of death by misadventure--until he goes undercover at the Moonlight Sonata dance studio and discovers that everyone who knew the accomplished dancer had good reason to want her dead. Shannon MacKay is equally suspicious of Lara's death--and equally concerned as the deadly events at the studio start to multiply. But she's asked one too many questions and now fears she's being followed. Worse, someone may be trying to kill her. Someone does have decidedly fatal plans for Shannon. And as a drama of broken hearts, shattered dreams and tangled motives unfolds, only Quinn can stop the killing.
