

## The Sedgwick Curse (Harlequin Intrigue, No. 846 / Eclipse, No. 8)

THE CHILLING TRUTH To learn the truth behind her great-grandmother's past-and the curse that still surrounded both her family and the old woman's tiny country village-Taylor MacKenzie made her way to England. But from the moment she arrived at her ancestor's manor house, an eerie chill echoed the evil of the past and a shadowy figure seemed to follow her every move. Donovan Sedgwick, the new lord of the manor, had eyes that pierced Taylor's soul and held her in an otherworldly thrall. But he seemed ravaged by demons of his own-demons that only her kisses were able to calm.
