

The Millionaire Cowboys Secret

Undercover Seduction Undercover ATF agent Skylar McClain dreams of justice and lives by the law. She always gets her man. Armed with a killer smile and an undercover identity as a photojournalist, she should have no problem bringing down any criminal even a sexy millionaire horse breeder. But no assignment has ever tested her boundaries like Matt Landeta. His connection to Mexican drug cartels makes him dangerous. Only, what if there's more to this case than right and wrong? All Matt wants is revenge. Not a gorgeous distraction like Skylar, whose hunt for answers will complicate things. Yet an unexpected enemy is about to bring Skylar closer to the truth and to Matt. And letting go of his darkest secrets might be the only way to protect her.
