

Destined to Play: An Avalon Novel (Destined Series)

Its simple. No sight. No questions. Forty-eight hours. An intensely charged erotic journey, perfect for anyone who was seduced by 50 Shades of Grey. When thirty-seven-year-old psychologist Alexandra Blake leaves her comfortable suburban existence to travel for a series of lectures, she meets up with Dr. Jeremy Quinn, the man who opened her eyes and body to the world in ways she never thought possible. After a few glasses of champagne in his luxurious hotel penthouse, he presents her with an extraordinary proposition. Alexandra knows that they never promise each other something they cant commit to and that he will challenge her every inhibition. But she soon finds herself seduced into a level of surrender and dangers she could never have imagined. Destined to Play is the first book in the Avalon Trilogy exploring the intricate relationships between trust and betrayal, desire and love, risk . . . and reward.
