

## A Trivial Pursuit

Jeremy Blake is committed to non-committed relationships and Lauren Chambers will settle for nothing less than the whole thing: bells and whistles, romance, and marriage vows. Jeremys son, Michael, adores Lauren and she returns his love. They share an addiction to the St. Louis Cardinals baseball club and delight in stumping each other with trivia questions about the team. Each of them knows Jeremy and Lauren belong together--but are despairing of how to convince Jeremy of that. To complicate things, suspicion develops about Jeremys business ethics. Is he truly about to commit fraud? Lauren knows that falling in love with Jeremy could only lead to heartbreak, as they do not seem to share the same values, and yet she is powerless to stop the headlong rush of her heart.
