

Cabin Fever (The Wrong Bed)

Let the fever burn Fashion blogger Carly Pendleton figured the Sexiest Average Joe cruise winner would be, well, sexy. But up close, fireman Joe Tedesco is insanely good-looking. Still, with exactly one chance to prove herself to the cutthroat fashion industry, not even the hottest hot dude will make this frosty fashionista break a sweat. Until she wakes in the middle of the night to discover Joe in her bed. They have nothing in common except for a combustible chemistry that quickly turns delectable kisses into even more wicked nights. And when the cruise ends, so does the fling. But a fireman never runs from the heat even if it means getting burned.
