

## Cat and Dog Theology: Rethinking Our Relationship with Our Master

The God given traits of cats (You exist to serve me) and dogs (I exist to serve You) are often similar to certain theological attitudes held by many Christians in their view of God and their relationship to Him. Using the differences between cats and dogs in a light-handed manner, the authors challenge this thinking in deep and profound ways. This life-changing book will provide a new perspective and vision for God as we delight in the God who delights in us.
