

Soulful Strut

When Monette Victor is finally released from jail, 15 years after being framed and wrongfully convicted, she enters a whole new world. Suddenly famous and in demand, Monette finds herself going on book tours and hosting a radio talk show. But she has no intention of making her whole life about this one episode. Monette is determined to make sure other young women have better chances than she did. She throws herself into her volunteer work, standing up to anyone and everyone who tries to tear her down. But its not as easy to stand up to the doubts in her own mind, and those doubts are putting her budding relationship with goodlooking business owner Jayson Odum on the rocks. Will the hard shell Monette has needed to get by blind her to the possibility of finding love with a good man? Only when she believes that she deserves the good things in life will Monette be able to see what she has with Jayson as the blessing it truly is.
