

Deception (Vengeful Love Trilogy)

The next installment in the darkly suspenseful and sinfully sexy Vengeful Love series. How far would you go for the one you love? Would you keep a deadly secret? Would you risk everything? I would. And I did. Because living without Gregory Ryans is unthinkable. But I can't keep living a lie. He can't see that the only way to be free is to reveal the truth. I'm ready to put my faith in the law, but he's doing what he does best: buying a contingency plan. He tells me I'm his light, his one bright spot in all the darkness that surrounds him. But his past is creeping forward from the shadows, and the secrets he's guarded with his life are destroying him. There are some things money can't buy. If he won't let me in, I'm not sure my love is enough to save us.
