

## Calder Storm (Large Print Press)

Filled with passion, suspense, heartbreak, and hope, *Calder Storm* is an enthralling love story. With his rugged-cowboy looks, Trey Calder could have his pick of women. But he's been holding out for someone special, and the minute he lays eyes on photographer Sloan Davis, he knows he's found her, and within weeks the two are married. It's a dream come true for the orphaned Sloan. . . until Trey makes a startling discovery about just who Sloan is and what she's really after. Passion turns into suspicion and a dangerous game is set in motion, putting everything the Calders have worked for over the generations on the line. A formidable enemy has been lying in wait. Someone who will use whatever means necessary to control their land, their lives, and their legacy forever. Trey Calder has been trained to take over his family's ranch, to protect what is theirs. Now the time has come for a Calder son to make a stand and hope that his way is the right way. . . The passion, spirit and strength readers expect from a Calder story--and a Calder hero--shine through. . . --Publishers Weekly on *Lone Calder Star*
