Dr Jason Drake - cynical genius, passionate lover...devoted father? Dr Jason Drake is a brilliant diagnostician - the man everyone turns to for answers when they cannot diagnose a sick child. Shaped by a painful past, his manner is brusque and his methods outrageously unorthodox...Yet his formidable personality conceals a burning passion for medicine matched only by the intense desire he feels for his boss, Dr Stephanie Montclair! Their red-hot affair was never meant to last, so Jason's damaged heart is tested like never before when a shock pregnancy complicates their no-strings fling...
