

Kissing The Key Witness

A dying mans last words threatened to reveal the identity of a powerful crime boss, and after hearing them, Dr. Maya Santiago knew her life was in danger. As a killer stalked her, only one man could help...Homicide lieutenant Stephen Talbot had always wanted Maya. Even though he didnt feel worthy of the compassionate doctor, he was determined to protect her at all costs--especially from himself. But as he and Maya grew closer...and the killer drew nearer...could she convince him to put his heart on the line as well?
