

Promises to Keep: A Novel

A New York Times bestseller and a poignantly written novel that powerfully celebrates the power of love and friendship (Chicago Tribune) Over the course of twelve novels, Jane Green has established herself as one of the preeminent names in womens fiction. In Promises to Keep she weaves a profoundly moving tale that will enthrall both new and old fans. Callie Perry lights up every room she enters, and adores her settled family life in tony Bedford, New York. Steffi is Callies younger sister. At thirty, shes still a free spirit bouncing between jobs and boyfriends in Manhattan. Their long-divorced parents, Walter and Honor, share little besides their grown daughters. But when Callie receives a difficult diagnosis, the family will come together for one unforgettable and ultimately life-changing year.
