

Their Little Cowgirl: In A Fairy Tale World... (Silhouette Romance)

Dearest Godmother, You said all I must do to regain my youth is play matchmaker for twenty-one couples. Well, its harder than you made it sound! Luckily, Ive only got six more to go. Take my latest attempt: ex-ugly-duckling Jackie Hammond and sexy rancher Steven Rollins. Theres sizzle between these two strangers--even I can see it--but Jackie just found out that Stevens one-year-old cutie is biologically hers. (How? Youd have to ask the fertility clinic.) I cant blame her for wanting two weeks with a child she has to give up, but how can I make Jackie see that she should fight for the little girl--and the one man who makes her feel beautiful? Merry
