

Transforming Together: Authentic Spiritual Mentoring

Young women are crying out for someone older to care about them, to help them. Older women desire to be useful and productive. Those who have invested years of walking with the Lord themselves desire to be teamed up with this generation of younger women who are yearning for someone to show them how to walk through life with genuine faith in Christ. Transforming Together presents the model for genuine spiritual mentoring through the power and work of Christ in the lives of women faithfully pouring into one another. Women, both young and old, will appreciate the dual focus on the roles of mentor and mentee. Building on real life testimonies and her experience as a committed mentor, Ele Parrott will guide women as they seek to walk with one another to greater faithfulness in Christ.
