

DragonFire (DragonKeeper Chronicles)

Three years of strife have passed since Kale and Bardon freed Paladins knights. Now, fiery dragons scorch their beautiful countryside as an evil husband-and-wife wizard duo fight for supremacy. The people of Amara just want to be left alone, hoping the conflict will disappear. But Paladin is dying, and Bardon and Kale now married must accept fateful, separate assignments if their land is to survive. Can their efforts turn the tide against their adversaries? Kales responsibility is to find, hatch, and train an army of dragons by working side-by-side with the dragon keeper father she has never known. As the Amaran countrymen seek escape, she must gain a greater understanding of her gifts to overcome her doubts. And as the end draws near, with friends and family in serious jeopardy, both Bardon and Kale must face their greatest trials yet. Prepare to experience breathtaking adventure and mind-blowing fantasy as never before in this stunning addition to Donita K. Pauls popular Dragon Keepers fantasy series.
