

Turned (The Blood Lily Chronicles, Book 3)

From New York Times and USA Today bestselling author Julie Kenner (aka J. Kenner) The death and rebirth of Lily Carlyle has put her on the side of the angels, albeit with demonic powers. She has fought as a hired assassin for the forces of good, and as an undercover soldier, moving secretly amidst the forces of darkness. Now she must gather friends and allies and go underground, because the final battle against those who would open hells gates will be the fiercest of all. A wonderful balance between urban fantasy and paranormal romance. A casual, catchy first-person point of view peppered with slightly more four-letter-words than the genre usually bears, mingled with a kick-ass heroine and a dangerous, smoking-hot hero makes for an excellent read. The Discriminating Fangirl Julie Kenner (aka J. Kenner and J.K. Beck) is the international, New York Times, USA Today, Publishers Weekly, and Wall Street Journal bestselling author of over forty novels, novellas, and short stories in a variety of genres. Praised by Publishers Weekly as an author with a flair for dialogue and eccentric characterizations, Julie Kenner writes a range of stories including super sexy romances, paranormal romance, chick lit suspense, and paranormal mommy lit. Her trilogy of erotic romances, The Stark Trilogy (as J. Kenner) reached as high as #2 on the New York Times list and is published in over twenty countries. Julie Kenner lives in Central Texas with her husband, two daughters, and several cats.
