

## Heaven, Texas

Its Gracie Snows job as a new motion picture production assistant to get the legendary ex-football player, Bobby Tom Denton, back to his Texas hometown to begin shooting his first movie. Good luck with that. There's been a terrible misunderstanding, Mr. Denton. Can't you see that I don't look like a stripper? Gracie snatched up her suit jacket. Please. Could we go somewhere private to talk? Bobby Tom sighed and uncoiled from his chair. I suppose we'd better. But you've got to give me your word you'll keep your clothes on. It wouldn't be fair for me to see you naked when my party guests can't. I promise, Mr. Denton, that you will never see me naked. He looked doubtful. I don't mean to question your good intentions, honey, but judging from my past history, it might not be that easy for you to resist. A head-spinning battle of the sexes with Beauty waging war against Brain except this male beauty has a fine intelligence, and brainy Gracie isn't nearly as ordinary as she thinks.
