

The Spy Wore Spurs

Top secret commando soldier Ryder McKay is shot and left for dead in South Texas. But when he comes to in a bedroom on Grace Corderos remote ranch, he realizes the beautiful former army medic did more than save his life. She risked her own. Not that he can tell her the whole truth about his mission. Ryder is sure dangerous thugs are using Graces vast property to smuggle drugs, weapons and people across the border. But to prove it without blowing his cover, he has to let her ride shotgun on the investigation. And keeping his heart guarded against sexy, off-limits Grace will be the hardest part of all.
