

## Count Your Blessings

uke Calloway was no chicken, but what could he really offer Darcy Carson - an L.A. newshound hiding in the heartland of Iowa? Certainly not love! He already had more than his share of chicks - fifty thousand of them, to be exact, on his turkey farm. Not to mention three prankster sons and a mother who desperately wanted him married. And now, Darcys mother was calling him son-in-law, too. A month before turkeys were scheduled to grace tables across America, the real action was at Wishbone Acres. And if Luke wasn't careful, come turkey day, he'd find himself served on a silver platter...dressed in a tux and trussed to Darcy forever!
