

An American Submissive in Britain

Gina Ramsey is on her way to England to claim an inheritance from a dad she never knew. When she meets Guy Anderson, the British solicitor who is in charge of her deceased father's estate, all her preconceived ideas about British men are blown right out of the water. Guy Anderson has decided that a personal, long-term relationship is just not on the agenda. But when he meets Gina, the funny, brave and down to earth girl whose estate he is handling, he is surprised by the instant attraction he feels. With only a couple of weeks until Gina returns to the United States, the two of them embark on a journey of dominance and submission where the only rule is not to fall in love.
