

Cowboy Accomplice (McCalls Montana)

HOW HARD COULD IT BE TO FIND A COWBOY IN MONTANA...? All J.T. McCall cared about were cattle. Hed always been the responsible brother and had taken over the day-to-day management of the family-owned Sundown Ranch years ago. He was as authentic as a cowboy can come-and Regina Holland knew it. He was just what she was looking for, and she was determined to have him-for business purposes only, of course. So when she finagled a job with his cattle drive deep in the Montana mountains, she didnt count on becoming a killers target or on falling for J.T. But would they survive the assault of a madman?
