

## Special Forces Father

Mission: FatherhoodSpecial Forces operative Travis Delancey is glad to be back from a difficult mission. But his long-awaited homecoming turns into a nightmare when he hears that his college sweetheart Kate Chalmet gave birth to his son while he was away and the child has been kidnapped. His skills are instrumental in rescuing the boy, but his reunion with Kate is a distraction. Kate had her reasons for not telling Travis about his son, but now she must put her doubts aside. His strength and determination to save their child make her realize he's different from the man he was before entering the military. Perhaps Travis is ready for a family if he can forgive her. But she cannot get ahead of herself first they have to save their son.
