

Jewels of the Sun (Gallaghers of Ardmore Trilogy)

Book One of the Gallaghers of Ardmore Trilogy In Gallaghers Pub, where the fire is burning low and the pints are waiting, #1 New York Times bestselling author Nora Roberts has a story to tell....Determined to reevaluate her life, Jude Murray flees America to take refuge in Faerie Hill Cottage, immersing herself in the study of Irish folklore and discovering hope for the future of the magical past. Finally back home in Ireland after years of traveling, Aidan Gallagher possesses an uncommon understanding of his countrys haunting myths. Although hes devoted to managing the family pub, a hint of wildness still glints in his eyes and in Jude, he sees a woman who can both soothe his heart and stir his blood. And he begins to share the legends of the land with her while they create a passionate history of their own.
