

Ghost Moon

Nine years after leaving in disgrace, Olivia Morrison is coming home again with her eight-year-old, Sara, to put things right with the Archer clan. But there is no welcome for the prodigal daughter at the lavish Louisiana estate. Her stepcousin, Seth, once her only comfort, is icy, dangerously attractive and engaged. Her formidable stepgrandfather collapses with a heart attack at the sight of her, gasping her dead mother's name: Selena! The bayou echoes with memories of her mother's mysterious death. Suicide by drowning, they said. But Olivia's terrifying nightmares suggest another story. She is determined to learn the truth, and to face a newly ignited passion for Seth, who is too close for comfort, despite his vows. When a new danger threatens her and her daughter, Olivia must find the courage to confront her old demons ... and uncover a shocking secret buried in the long-forgotten past....
