

## Flirt Club

Isabelle and Annie are two self-professed middle school drama geeks who have no idea how to flirt with boys successfully. Their sweet, awkward, and painful attempts at romance are getting them nowhere, so they start Flirt Club, an afterschool support group for similarly afflicted friends who decide to take decisive and strategic action. Told entirely through notes passed in school, diary entries, and the occasional email, Flirt Club is a hilarious and touching tween novel about love and lust with a heart, a brain, and a whole lot more.
