

Under the Wire: Library Edition (The Bad Boys Undercover)

HelenKay Dimon returns with another hot installment of her romantic suspense series featuring the fierce men of Alliance--a top secret military security agency--and the only women who can tame them. Alliance agent Reid Armstrong has every intention of taking a well-deserved vacation. That is until he learns that Cara Layne, his former fiancée, is missing. When it turns out she was lost during a mission on a remote Russian mountain, Reid is sent after her, determined to save her life and make up for his greatest mistake ever--letting her go in the first place. Caras bad day has just begun. After waking up to find her camp destroyed and her team missing, shes left to face the harsh mountain wilderness alone. Now shes got an even bigger problem: Reid Armstrong has been sent to save her. Cara cant deny the feelings she still has for him, but he broke her heart and didnt look back. How can she ever trust him again? As enemies close in on all sides, its up to Reid to regain Caras trust and her heart. Without it, their lives--and any future they may have together--may be lost forever.
