

Out of the Blue (Stewart Sisters Trilogy)

Continuing her sparkling, sexy Stewart Sisters trilogy, bestselling author JoAnn Ross pens a romantic suspense story set in the glorious Great Smoky Mountains, where a tough man and a passionate woman find love amid danger. Lark Stewart is on the run from a singing career that skyrocketed out of control...and from someone who's bent on murder. When one of her band members is killed in New Orleans, Lucas McCloud -- her first love and a former FBI agent -- takes Lark home. But the remote Stewart family resort offers no protection from the madman who's working his way across the mountains. A Desert Storm hero and FBI sniper, Lucas is haunted by a tragic mission in his past. But with the mysterious killer stalking Lark, Lucas is forced back into the life he left behind. For Lark is the only woman he's ever loved, and the only person who can save his soul...provided he saves her first.
