

The Seventh Night

A trip into danger. Compelled to visit the island of Columbe by a strange missive from her father, Christine Gregory found herself in a different world. Vodun drums were everywhere, beating out a blood-pulsing rhythm that blurred all rational thought. Arcane rituals, practiced openly, both fascinated and repelled her. But when she discovered that her father was missing, the exotic paradise shed entered turned sinister . . . Desperately she turned to Reid St. Pierre, her fathers business partner and the only man who could help her. But Reid seemed deeply enmeshed in the native customs at the core of her fathers disappearance. Worse yet, the burning passion in his gaze wove a spell that called Christines deepest fears . . . and long-hidden desires. Trusting Reid would be dangerous . . . to her heart -- as well as her life.
